Pursuant to Section 155 of the Revenue and Taxation Code, we are hereby requesting a 30-day extension of time for the delivery of the 2009 roll.

Our Mineral Consultant delivers his work late in June. The Coso Geothermal project is one of his accounts. Since this is one of our largest assessments, we want to be able to wait and include it as a part of the roll as opposed to adding it as an escape assessment.

Dear Mr. Hirsig:

Pursuant to Calif. Revenue & Taxation Code Section 155, request is hereby made for a 30 day extension to complete our 2009-10 secured and unsecured assessment rolls.

During this fiscal year we have experienced a decrease in staff due to employee vacancy. Additional staff time is being spent to determine those properties that are eligible for Proposition 8 (decline in value) reductions. We are also in the process of closing the roll using our new Computer Property Tax System. This will cause us to not complete our rolls and deliver them to the County Auditor by July 1, 2009.

Your consideration would be very much appreciated.
